

# 14304 FORKLIFT STABILIZATION KIT R

## Forklift Stabilization Kit R

- Creates a safer repair environment for technicians
- Keeps forklift and service truck stable during repairs
- Combines both Super Stacker and EverBlock components
- Contains two true 4"x4"x 22" and 4"x4"x48" composite components for masthead repair
- Handy carrying bag makes kit mobile

**NOTE:** This revised kit replaces our original 14300. And now it's even *more* affordable.

*New Components!*
