

# 71650 RIMWIT TRUCK & WHEEL REMOVAL TOOL

## RimWit Truck & Wheel Removal Tool

- Quickly loosens stubborn, locked-up rims without the need for excessive force.
- Compatible with all standard 22.5 and 24.5 semi-truck rims, aluminum or steel.
- Designed to eliminate damage to rims and tire sidewalls.
- Provides a safer, faster, and more controlled method for rim removal compared to traditional, strenuous sledgehammer techniques.
- Utilizes your impact wrench (not included) as a power source.
