TESTIMONIAL

Yip Cider

Yip has owned our Action Series unit since 2017 and every press of apples ends with an Easy-Kleen pressure washer!
“Easy-Kleen makes everything much faster and more efficient. It is very reliable, we plug it in and it’s worked every time, so we’re pretty happy with it.”

- Joe Mackay, Yip Cider

TESTIMONIAL

Mount Allison University

Pressure washers are heavily used for industrial operations, but this customer uses their Easy Kleen for something completely different; ART!

“Because our (art) studios are inside, we purchased a cold water electric unit. It is used on a daily basis, so to have it be dependable has been a real plus for us.”

- Dan Steeves, Mount Allison University

TESTIMONIAL

Lonsview Farm

Lonsview Farm is a dairy production facility milking 160 cows and Easy-Kleen keeps their operation clean!

“I chose Easy-Kleen because they are #1 on the market, they are the most reliable, and that is important to sustaining a top quality food processing facility!”

- Eric Walker, Lonsview Farm

HOSE REELS #1 ACCESSORY! EVERY MACHINE SHOULD HAVE ONE!

A hose reel will extend the life of your high pressure cleaning hose considerably by providing safe tangle and kink free storage. It will also save you time when using and storing your high pressure cleaning equipment. Every machine should have one!

ADDITIONAL HIGH PRESSURE HOSE
30/50/100/150/200
Foot Hose Lengths

HOSE REEL

This optional hose reel will help extend the life of your high pressure cleaning hose considerably by providing safe & tangle free storage.

WALL MOUNT

Ideal for locations with limited floor space. This frame style allows your unit to be up and out of the way.

ROTARY NOZZLES

Rotary nozzles can cut cleaning time in half. Easy-Kleen carries a variety of rotary nozzles from commercial to industrial grade.

UNDERCARRIAGE, WATERBROOM, & SURFACE CLEANER ACCESSORIES

Maintain shop cleanliness and easily wash everything from floors to the undercarriages on your equipment.

FOAM CANNON

Allows full chemical coverage and activation. Ideal for vehicle and house washing.

HEAVY DUTY AUTO STOP START

This option gives you the ability to start and stop your unit by squeezing and releasing the trigger gun. It will help extend the life of your unit over time.

MEGA-FLEX DRAIN CLEANING KIT

Used for cleaning drains, culverts and downspouts, as well as thawing and unlogging pipes. Stainless steel drain nozzle included. Available in 50 or 100 foot lengths.

WET SANDBLAST KIT

Peels paint and rust from metal effortlessly with no dust. Leaves surface ready to paint. 10 GPM max flow.

SIDE HANDLE GRIP

Great for extra control, leverage, and precision.
