SPECIFICATIONS

Capacity 20,000 lb (9,072 kg)

Stroke 30 in (76 cm)

Minimum Start Height 14 in (36 cm)

Maximum Lift Height 50 in (127 cm)

Power Air

Required Air Pressure 200 psi (13.8 bar)

Forward Reach (CL to CL) 17 in (43 cm)

Overall Length 43 in (109 cm)

Overall Width 37 in (94 cm)

Overall Height 65 in (165 cm)

Saddle Spread 32 to 43 in (81 cm to 109 cm)

Shipping Weight 755 lb (342 kg)

About Us

MAHLE Service Solutions specializes in the development, manufacturing and distribution of automotive services, tools and maintenance equipment, including vehicle diagnostics, air conditioning service, fluid exchange, nitrogen tire inflation systems, and hydraulic and pneumatic lift equipment.

Formerly known as RTI Technologies, MAHLE Service Solutions continues its legacy of building shop equipment for the most stringent OEM and aftermarket needs. Along with this expertise, MAHLE Service Solutions combines the know-how of MAHLE Behr with automotive thermal management and MAHLE Powertrain with automotive test systems. Each of these three entities have more than 25 years of R&D and technology deployment experience providing advanced solutions for OE manufacturers.

In addition to the high-quality products we offer, MAHLE Service Solutions provides a comprehensive and well-developed service network to ensure quick and professional technical support and training for repair shops. For more information about MAHLE Service Solutions, visit www.servicesolutions.mahle.com.
