We Keep
Your Equipment
MOVING

The Cyclone X-Series Bead Seating Tank offers two models for small and medium applications. Both models are equipped with robust air tanks, casted out of steel and ASME certified. The Cyclone X-Series Bead Seaters supply a hassle-free, simple solution to seat the beads on equipment tires ranging from golf carts up to heavy duty and construction application. The Cyclone X-Series 5-gallon Bead Seating Tank is recommended for small and passenger tire application. The Cyclone X-Series 10-gallon Bead Seating Tank is recommended for most commercial tire sizes, skid steers and some tractor tires.

Model	TANK SIZE	RECOMMENDED AIR PRESSURE	MAX. PSI	DIMENSIONS	WEIGHT	BARCODE UPC
