COMMERCIAL HOT WATER ELECTRIC-OIL FIRED

Hosted By Josh

Easy-Kleen's Commercial Hot Water Electric - Oil Fired units are dependable, long-lasting machines built for a multitude of applications. Heats water faster and hotter than our competitors.

AUTO STOP START DEMONSTRATION

Hosted by Josh

This option gives you the ability to start and stop your unit by squeezing and releasing the trigger gun. This prevents the machine from sitting in bypass mode which will extend the life of your unit over time. It will also save you money because your resources are not being used when the machine is not in use.

TESTIMONIAL

Southside Diesel

Southside Diesel is one happy customer! When Southside Diesel needed to purchase another Hot Water Electric Unit, they knew they had to call Easy-Kleen.

"We had the previous unit for 9 years, never had an issue with it! The only thing that we ever had to replace was the fuel filter. Great unit!"

-Scott from Southside Diesel

HOSE REELS #1 ACCESSORY! EVERY MACHINE SHOULD HAVE ONE!

A hose reel will extend the life of your high pressure cleaning hose considerably by providing safe tangle and kink free storage. It will also save you time when using and storing your high pressure cleaning equipment. Every machine should have one!

MANUAL U-FRAME HOSE REEL

Capacity: 150'
Commercial Hot Water Units
Come Standard With Mounting
Plates For Easy Install
