

20-Gallon Fluid Evacuators

JDI-20EV & JDI-20EV-B

NOTABLE FEATURES

- Heavy-duty steel construction
- Self-evacuating with 10' quick disconnect evacuation hose
- Three OE-Style evacuator adapters

Remove used oil and other fluids from any vehicle when conventional draining methods are not practical. Fluid evacuators remove used oil and other non-flammable fluids from almost any vehicle using compressed air and an on-board venturi vacuum system.
