

# APEX

Introducing the Apex™ 700, your stylish evaporative cooling solution. This cooler is designed for simplicity and sophistication. With a quiet operation of just 53 dB, it covers areas up to 700 square feet and reaches up to 60 ft. From weddings, events, and cookouts to harsh environments like auto shops, construction, and manufacturing sites, the Apex 700 ensures cool comfort anytime, anywhere. Say goodbye to sweating it out and hello to the cooling power of the Apex 700.

**Space Optimization:** Achieve maximum cooling without sacrificing space. Our slimmer profile and new front intake allows you to place your Portacool evaporative cooler against any wall.

**Connectivity:** Powered by Portacool CoolSync™ technology. Complete digital display with Wi-Fi capability. Control your environment from anywhere.

**Extended Cooling Reach:** Our high-velocity cooler delivers a refreshing breeze up to 60 ft. away.

**Digital Louver Control:** The oscillating louvers allow customized airflow to maximize your cooling coverage.

**Whisper Quiet Performance:** The centrifugal blower design and motor combination reduce noise, creating a tranquil cooling environment.

**Smart Water Management:** The Portacool Apex series ensures worry free operation with digital water level indicators and performance alerts.

**Efficient Media Absorbency:** Portacool's proprietary media technology ensures optimal cooling efficiencies while reducing cost and providing an eco-friendly solution.

**Lifetime Warranty:** The cooler's rotational molded housing comes with an industry-leading warranty.

**Unmatched Portability:** Built-in handle with lightweight housing ensures easy transportation over any terrain.

**Easy Water Refill:** Swiftly refill the tank via a convenient hatch or through the 3/4" hose connection for uninterrupted cooling experience.
